

Going for the Gold with SACA

Smart Automation Certification Alliance Gold Certification Workshop

Monday, June 10 - Friday, June 14, 2024 | 8 AM-4 PM
Lakeshore Technical College's Cleveland Campus

\$475 per day (includes lunch) | \$1,995 for the week

Educators and workforce pros interested in upskilling and gaining SACA credentials are invited to register for this workshop featuring assessments for 20 different SACA Gold Level certifications.

Certifications include the four **Associate Level** certifications and 16 of the **Certified Industry 4.0 Automation Systems Specialist** micro-credentials. Participants will train on equipment before certifying in the testing areas.

NOTE: You can choose your tests when you register and Silver certifications **must** be completed before taking Gold exams. If your Silver certifications are not completed, contact Lucas Dulmes at lucas.dulmes@gotoltc.edu.

Learn more and register today!

For details, including the list of available certifications, and to register, visit gotoltc.edu/saca or scan the code.

This workshop is offered through a partnership between Lakeshore Technical College and LabMidwest.
